OUR PRODUCTS

- Natural products will weather.
- Galvanized planters may lose their shine over time as a natural weathering process.
- Steel baskets are plastic coated to resist and delay eventual corrosion.
- Products are handcrafted; finishes and details may vary from item to item.
- Glass is hand blown and may contain air bubbles; this is not a defect.
- Color may vary slightly from catalog photographs.
- Products should not be used for food or beverage service.
- Always use an external saucer when using indoors to protect surfaces beneath the container.
- The dimensions for grower containers are approximate and may vary slightly from item to item.
- Pride Garden Products is not responsible for regular “wear & tear” of product.
